

Macon County is long overdue for sound socio-economic and leadership changes.

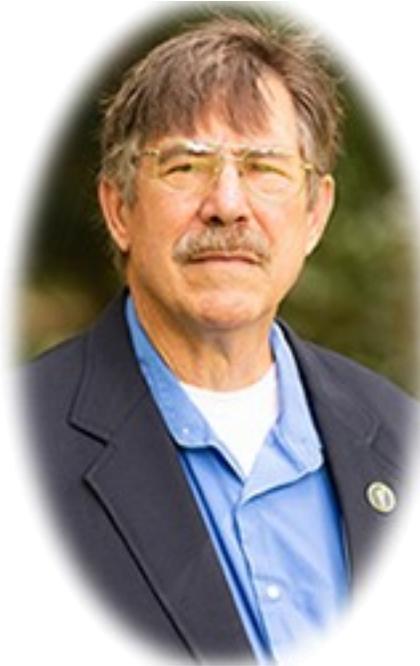

My college degree, retired Navy, USMC “Doc” for 10 yrs, 11 years at AU, attending county government meetings for years, and my admiration & trust of people have prepared me to lead District 4 to its bright future we deserve.

As a CITIZEN, I am responsible for

- ◇ Macon County purchasing and publishing our **website**,
- ◇ Macon County acquiring a **Facebook** page,
- ◇ The county **recognizing employees**,
- ◇ **Monitors in the annex** for citizens to see documents being discussed,
- ◇ **Streaming** county meetings,
- ◇ Movement of morning **work sessions** to evenings, and
- ◇ New and improved **public address** system in our Annex.

I, **Frank Dillman** will

- If not the county, I will post **county documents** on my personal website. **Citizens deserve** to know county business & budgets.
- Support, rather than aggravate small **businesses**.
- Redefine county “**fiscal stewardship**.”
- Redefine “**open government**.”
- Fight to allow citizens to **vote on county taxes, bonds, and major expenditures**.
- Enable residents to again be **proud to call Macon County “home.”**
- Preserve **property and personal rights**.
- Begin a **voluntary recycling program**.
- Fix and clean our **roads**.
- Improve quality of life for **all citizens**.
- Fight to have all meetings at an hour convenient **for citizens**.
- Support **corporate jobs** with benefits.
- Develop magnets for citizens to **work and live** in Macon County.

Straight party voting favors the puppeteers. You want change, as you deserve? Then fill in the circle before my name on your ballot and your vote for me will count, regardless if you vote straight party or not.
